Dear Parent,

Greetings!

We extend our heartfelt gratitude for your continued support and involvement in your child's education. To further strengthen the home-school partnership and to keep you well-informed about your child's academic and holistic progress, the first **Parent-Teacher Meeting (PTM) for the session is scheduled for Saturday, 26th July 2025**. Class Teachers will be available in their respective classrooms and other subject teachers in the School Audio Visual Room, next to the Computer Lab on the first floor, **from 09.00 a.m. to 12.00 noon**. *Parents and students are requested to meet the concerned class teacher and discuss the areas of concern for the First Periodic Test and meet the subject teachers in the Audio-Visual room any time during the specified time mentioned above. Any other time will be inconvenient for the school.*

The PTM serves as a valuable platform for meaningful dialogue between parents and teachers. It enables us to collectively review your child's achievements, address any concerns, and plan constructively for future growth.

We humbly request you to attend the meeting **punctually along with your ward in proper school uniform**. Your gracious presence will greatly motivate and encourage your child.

Let us come together to create a positive and enriching learning environment for our children.

Important Note – Consent Form Submission

As part of our efforts to celebrate the achievements and joyful moments of our students, the school periodically shares event highlights and photographs on the official school website and social media platforms.

*We kindly request you to **sign the Consent Form** available with the class teacher regarding the use of your child's photographs for such purposes during PTM. Your consent will help us responsibly showcase your child's participation in school activities.*
